Quantity Scans of slides and prints

If there is no urgency to have your scans done, we can offer discounts for larger quantities. These are not color corrected at these prices. Some examples:

Slide scans or small print scans

15 or more, 2.00 ea

100 or more 1.65 ea

250 or more 1.25 ea

500 or more .95 ea

Album pages, 10x12 inch, 7.50 per page

We can also duplicate and convert movies and video tapes. Please ask.

Retouching and Restorations

We utilize Adobe Photoshop and other applications (Camera Raw, Gigapixel Ai, etc.) to retouch, adjust, enhance, color balance, convert to black and white or sepia, colorize, crop, and prepare for printing. With old photos, we strive to keep the original character and feel of the original. Many times we can improve the color, contrast and density and overall look of the original. Retouching (Restorations) are billed at \$150.00 per hour, 5 minute or \$12.50 minimum. For best and most permanent final prints, we recommend Giclee (High quality archival inkjet) prints.
